La Finca golf course is located in the Alicante province, in the town of Algorfa, inside the Vega Baja del Segura area.

It is a young course that opened its doors in August of 2002. Since then it has demonstrated to be the one golf course to offer the most possibilities in the entire Costa Blanca.

La Finca golf course offers 18 holes + 1, each one designed by the prestigious Spanish designer Pepe Gancedo. It is a course with generous fairways and spectacular greens because of its design and variety of contours.

Among the most interesting aspects of this course are:

- The **green on the 7th hole**, completely squared and surrounded by a spectacular bunker

- **The 5th and 6th holes**, next to a beautiful lake with several waterfalls on their left side. This lake provides these holes not only with a water hazard, but also an added beauty that complements this already gorgeous course.

La Finca Golf has hosted during its young trajectory important Championships at The Amateur Level:

- The Audi Class Tour Finals in 2002 and 2003
- The Audi Tour in 2004, 2005 and 2006
- The Costa Blanca Golf Cup Final in 2005
- The Spain Jr. Male International Championship in 2005, with participation from all over Europe
- The Mercedes Cup Tour in 2006
- The Spain Architects Tournament in 2003 and 2004
- The Group Soledad Tour Championships in 2002, 2003, 2004, 2005 and 2006
